

**TWI - The Conference Centre, Abington Hall, Granta Park, Great Abington, Cambridge,
CB21 6AL.**

Coming from Duxford on the A505 you take the slip road to the left, go over the new A11 and take the second turning out from the round-about into Granta Park (see below). Tell the gateman you have meeting at the Conference Centre. Turn left at the round-about and follow the road round to where, just past the staff car park on the left, there is a lot of building works. Follow the notices "NEW ROUTE", which takes you through to the edge of the site. Here you turn left to the conference car park and then follow the signs to the Conference Centre which

you approach from the back.

The Club is very fortunate in benefiting from the sponsorship of the following organisations:-

There are also other companies who give us generous help with specific meetings and services.
